Discussion Summary

John Carter (client) walked through Meridian Logistics' current warehouse tracking process and confirmed the integration timeline. John Mehta from our solutions team agreed to prepare a technical scoping document. Priya confirmed the pricing tier.

Action Items

- John Mehta to send the technical scoping document to John Carter by Aug 29.
- Schedule a 30-minute follow-up call with John Carter the week of Sep 1 to review scoping.
- Priya to loop in billing to confirm the client's enterprise pricing tier.
- Schedule an internal check-in with John Mehta before the client follow-up to align on scope.
